

NETBALL CATALOGUE

NETBALL UNIFORMS

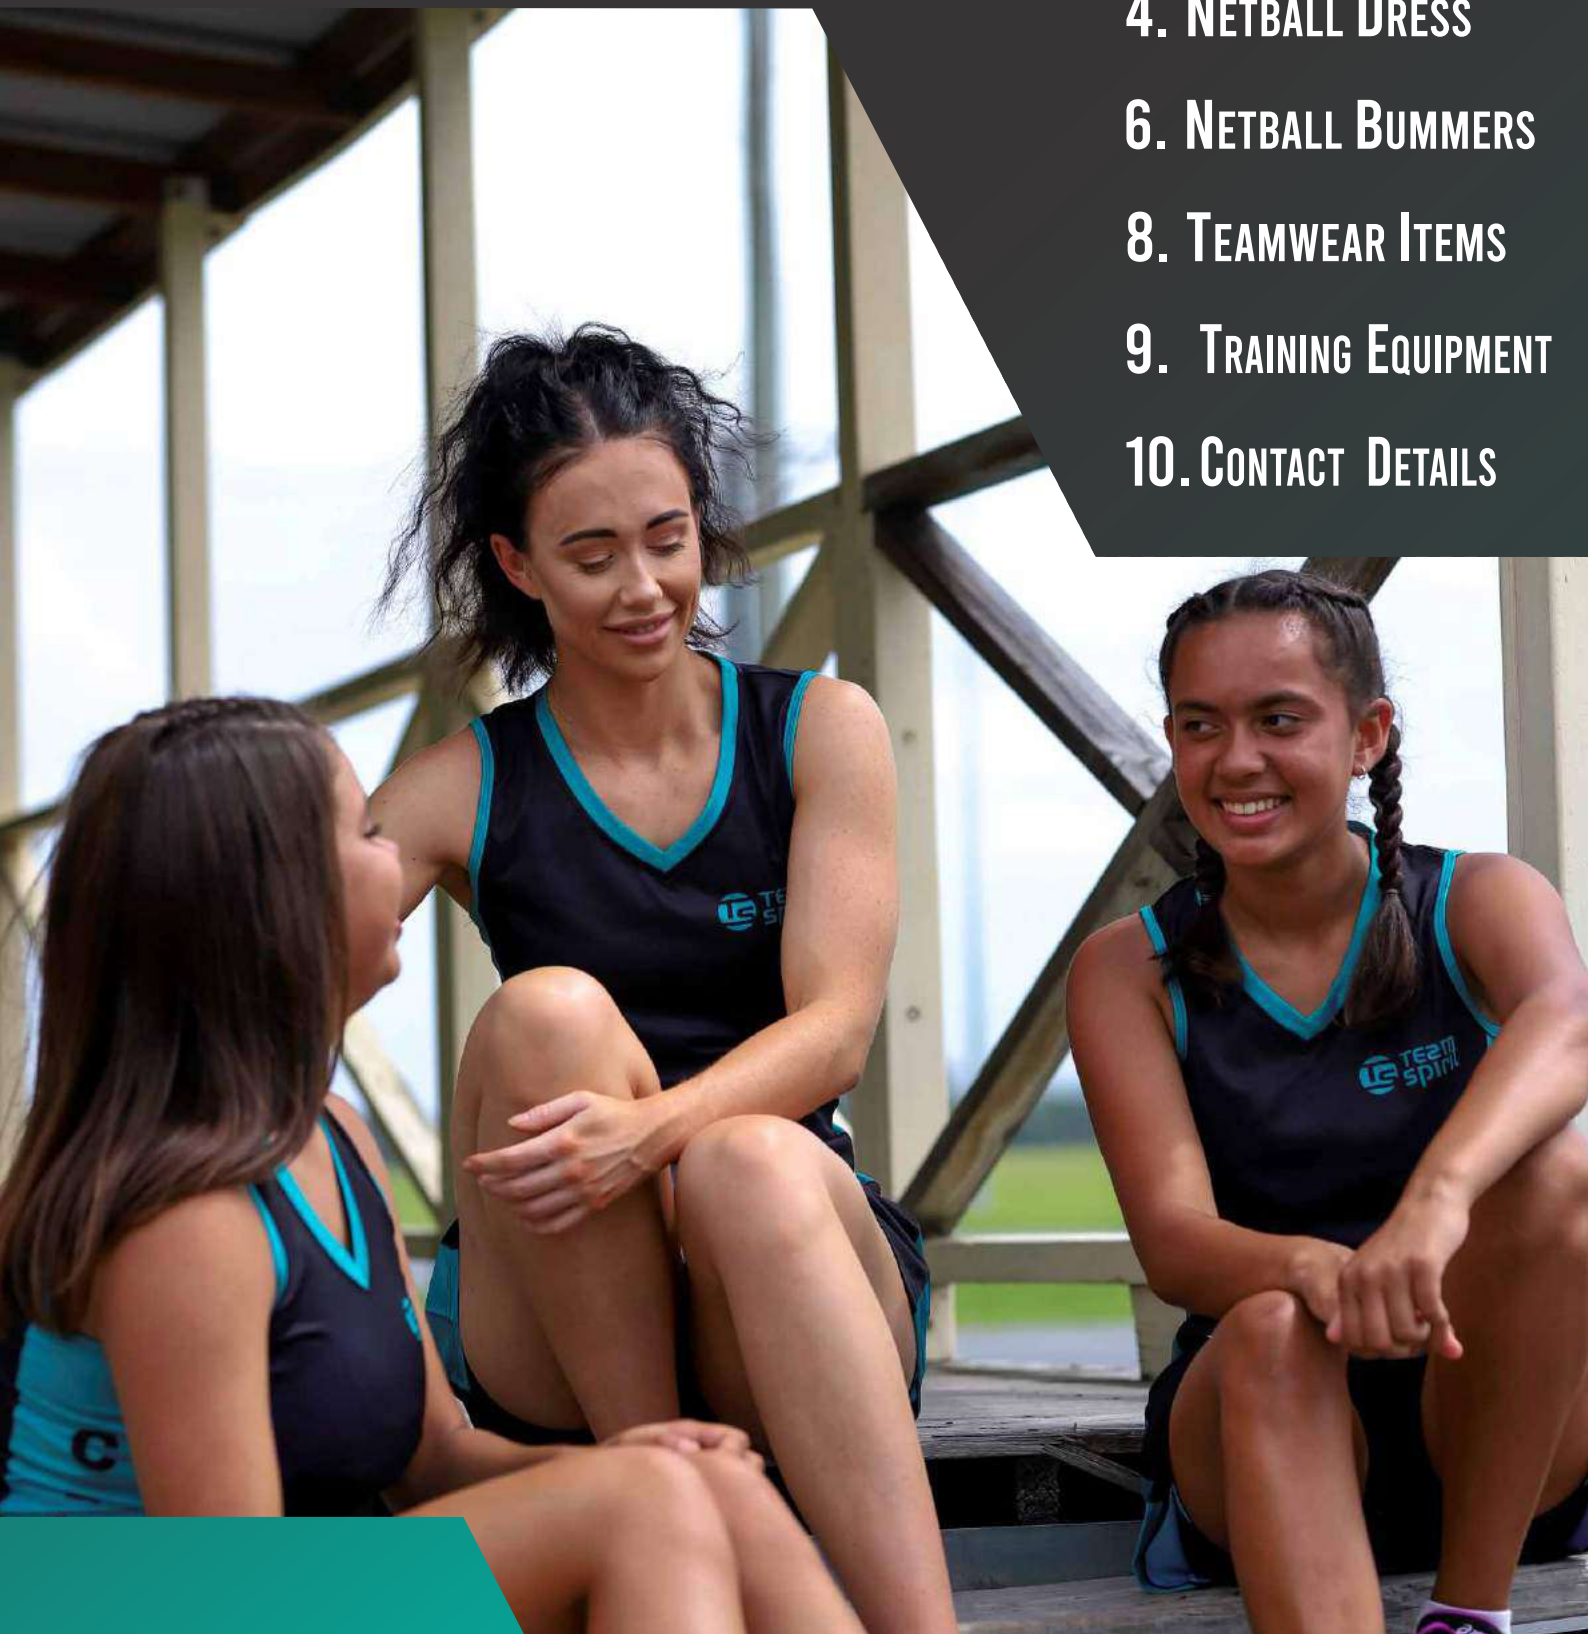

At Team Spirit Sports, we are reshaping what your performance means on the court. We understand that when you're free to move your preparation, focus and tenacity all pay off. That's why all range of motion is on the cards, in your very own customised netball outfits. When you have control of your outfit, it's shape, it's style and cut, then you're bringing your own vibe to the court. We take care of the materials, the comfort and security with moisture control fabric flexibility, friction resistance and paramount air flow. All you have to focus on is being the best version of yourself.

FABRIC TECHNOLOGY

Vapo-Tech

Light weight, quick drying and soft feel.
No better fabric for comfort and performance.

Tri-Mesh

Unrivaled breathability and comfort.
Our premium option for all non contact garments.

Eyelet-Mesh

Lightweight, won't let you down mesh fabric
suitable for any occasion.

TS Lycra

High elasticity and strength allowing flexibility for
multiple uses.

Holes-Mesh

Ultra light weight and air flow permitting
fabric perfect for side mesh panels.

TS Knit

Knitted fabric allowing seamless design
creation for the ultimate high end look.

Base-Tech

Compression fabric that fits to your body allowing
free movement and enhanced recovery.

Spray Tech

Lightweight, wind and water resistant fabric suitable
for tracksuits. Provides the barrier from the elements
you are looking for.

Max-Mesh

Used at the highest level, allows
breath-ability and is extremely durable.

Wet-Tech

High quality Chlorine resistant material that
also accommodates a SPF50+ feature.

Shell-Tech

Water/wind resistant, a stylish and contemporary
option for keeping warm.

X-Tech

Elite tight fitting fabric that accommodates movement
in all directions with enhanced stretch capabilities.

Li-Tech

Reliable club fabric allowing a relaxed fit but no
compromise has been made on quality.

Tas Stretch

Quick drying, light weight stretch fabric
perfect for training and casual wear.

Stretch-Tech

Two way stretch fabric that doesn't
compromise on durability.

HD Poly Twill

High density fabric which is durable and lightweight.
Perfect for Rugby Shorts.

Cotton Twill

100% cotton twill fabric

Poly-Tech

Lightweight and strong for maximum comfort and
breath-ability.

Rain Tech

Heavyweight waterproof fabric that will stand up
to those elements.

TS Fleece

Super soft and warm brushed fleece,
keeping you warm at every occasion.

TS Polycotton

Traditional rugby jersey fabric, blended cotton
and polyester for the perfect result.

Hoodie-Tech

Smooth outer, fleecy inner. Ideal for sublimated
hoodies with lots of colour & design.
